Erie's Position Not Revealed. No announcement was made concerning the status of the Erie, which railroad recently withdrew from the proceedings, nor did either side issue a statement concerning the intention of the reads to insist that their grievances against the men be aired along with the latter's request for higher pay. Representatives of employes of the Eric have declared their intention of calling a strike if the company con-tinues to refuse to arbitrate.

TRAINMEN ON S. P. TAKE STRIKE VOTE

san Francisco, Calif. July 16.—
Nearly 5000 employes of the Southern Pacific Railroad company on lines extending from Periland, Oremon, to El Paro, Texas, members of the Order of Railway Conductors or the Brotherhood of Railway Trainmen are strike woting as the result of a dendicck between company officials and the employes general committee over vital issues. The ballots will be roturned to San Francisco by July 27. A two thirds vote of members of the two organizations will authorize a strike.

The trouble has arisen over the fallure of the company to extend an interchange of rights, according to an agreement, to its electrified lines and a disposition to deal with the employes of these electric lines reparately from the employes of these electric lines reparately from the employes of the steam lines. This, according to the men, is a violation of the raising contract, in the first instance, and withdraws from the men, in the second, the comulative strength of their organization over the Southern Pacific lines in protecting their inof their organization over the Southern AUSTRIAN CONFIRMS

Ottoman Government Expects To Be in a Position to Force Autonomy of the Province of Thrace.

Constantinople, Turkey, July 15.—
The Turkish government is determined to push forward Ottoman troops as far as Adrianople, captured by the Bulgarians during the recent Balkan war. It intends to take this bold action not only because of the material advantages to be gained, but because of the moral effect it will have on Turkey's international situation.

It is expected that by this means the position of the government will be strengthened and consolidated and it is feit that even if the powers insist on bringing pressure to bear to compel the maintenance of the future frontier line between Turkey and Bulgaria from Enos on the Account sea on Midia on the Black sea, Turkey will yet be in a position to force the autonomy of the province of Thrace.

GUGGENHEIM DIVORCE

CHICAGO JUDGE ORDERS PROSECUTIONS IS FRAUD, SAYS COURT

HICAGO, III., July 16.-Declaring that the divorce of William Guggenheim, the millionaire mining man, from Grace Brown Guggenheim-Wahl in 1901 was obtained by fraud, collusion and criminal conspiracy, judges Windes, Heard and Baldwin, sitting en banc today instructed state's attorney Hoyne to proceed in criminal action against the alleged parties to the fraud. "Residents of Illinois cannot be prosecuted because the statute of limitations

precludes action," said assistant states attorney Raber, "but we can proceed against the principals to the suit who are non-residents and therefore cannot profit by the statute of limitations." Mrs. Guggenheim-Wahl, seeking in various suits to have the divorce declared

invalid because in obtaining it she swore falsely that she was a resident of

Illinois, testified that she acted on advice of counsel for her husband. The judges today denied a motion made by state's attorney Hoyne as a friend of the court, to expunge the record of the divorce, declaring that the matter should be taken before the appellate court which has the questions involved under con-
